FALL FAIR AND SPORTS

Opened by the Hon. Frank Barnard, Lieut.-Governor of the Province—Beautiful District Exhibits of Produce, Fruits and Vegetables Call Forth Loudest Praise—Exciting Races, Keen Boxing and Other Sports—Military Element Goes Far Towards Making Successful Fair.

First and foremost in every citizen's mind on Tuesday morning was the excellence of the weather. On the previous day, Monday, a short spell of dull weather had reached a threatening stage and a few drops of rain fell, so that even the most optimistic had to confess that the prospects of having the usual Exhibition weather for the annual Fair looked very remote. On Monday evening, however, the sky cleared, and when Tuesday dawned there was not the slightest doubt but that two days of the fairest of real Indian Summer weather lay before the 1915 Fair. Pessimism died suddenly, the financial depression of the past year or so became a forgotten factor, and even the war failed to dull the spirit of the day, for, only the day before, had not the good news come that the whole of the Western front was on the offensive and had made important gains and advances?

Once again long lines of happy faces gazed smilingly at the wealth of the Okanagan displayed so attractively around the Exhibition Hall, and certainly it was a matter of pride, praise and thankfulness, to see such an excellent showing. Naturally the entries were less than they have been in the last two or three years, but the difference in many divisions was scarcely noticeable, and many began to wonder why they had ever doubted the policy of holding the Exhibition this year.

By 2 o'clock on Tuesday afternoon the hall of the exhibition was crowded. People were passing hither and thither admiring fruit and vegetables, produce and cooking, flowers and hand-work of various descriptions.

In nearly all divisions competition was keen and it must be admitted that the judges were once again given no easy task. This of course applied to the poultry exhibits also, where the usual high class breed of stock was shown.

Live stock and cattle, both in number and quality, showed a marked increase, two facts which speak volumes as to the trend of farming in the Kelowna district. In this connection, too, must be mentioned the Silver Prize Cup presented by Mr. J. L. Pridham for the best three heads of dairy cattle, which was won by Mr. J. S. Mackenzie of Glenmore. The award of this cup will undoubtedly increase the tendency, already prevalent, of bringing the dairy stock in the locality up to the highest grade, a feature especially desirable since the existence of the Kelowna Creamery.

In the main hall the arrangements were similar to those of last year, with the exception that the district exhibit displays lined part of the north wall. Going in at the front entrance door the visitor found on his immediate left the vegetable section. This

has been an excellent one in the Okanagan and weights exceeded any previous showing. One Long Mangold turned the scale at 42 lbs. before the leaves were cut from it, and a great number of others ran it

close, the showing of mangolds being exceedingly fine. Several Short and Long White Carrots ran to over 7 lbs. in weight. Corn was another one of the crops that beat all previous years, the size, weight, ripeness and fullness being, practically in every case, right up to perfection.

The celebrated Kelowna onions, potatoes and tomatoes fetched much admiration, though all three were sparsely represented considering their importance to the locality.

The apple of course held the most conspicuous place amongst the fruit. Grapes and plums both presented a luscious display, as did also the many other fruits. Butter likewise formed another interesting feature. Bread, cakes and such like articles were in strong evidence, and must have been in strong competition with each other too. Honey and bottled fruits and pickles brought forth a great deal of favourable criticism, the whole of this section causing people to remark time and time again as to the evidence and signs of "a land of plenty."

The long-table in the centre of the room was given over to cut and pot flowers and its burden was as artistic as it was beautiful. In the right hand far corner, too, was the flower display of the Kelowna Women's Institute, a competitive flower show, and exhibition entirely under the control of the Women's Institute, only members of which were allowed to compete.

DISTRICT AND COMMERCIAL EXHIBITS

That section of the show containing the District Exhibits undoubtedly formed one of the greatest attractions in the hall.

Taking them in their order from the West door, the first was the Rutland display, where a tremendous variety of fruits and vegetables were arranged in artistic positions. Apples and grains were given conspicuous places. Spanish onions deserve particular mention for their fine size, and potatoes, too, were of exceptionally good size and shape. The products of the kitchen were not forgotten, bread, buns, pickles and bottled fruits and vegetables being generously arranged. Poultry, honey, hops and Brussels sprouts called forth much favourable comment from the visitors.

Next in location came the Glenmore display, where a fine example of Glenmore pork held the central position, the whole animal, of course skinned, reclining gracefully upon a deep bed of Glenmore alfalfa. Some excellent specimens of tobacco plants were also shown here, as well as some exceptionally large pumpkins and fine specimens of field corn. Amongst the grains, the barley is worthy of more than passing note. Apples and other fruits also showed to advantage, and their general excellence can be best told of by the fact that Glenmore won five first prizes for fruit as well as some seconds. All these first prizes were won by Mr. C. A. MacLeay, who headed the lists in Jonathans, Winesaps, Delicatas, Bartlett Pears and

so took first and second prizes in the flower section for Bouquets, as well as many others.

Next came the Ellison display, which easily won the first prize for District Exhibits by scoring 712 marks out of a possible 1,000. The arrangement and perfect taste with which this spectacle had been arranged held a crowd of admiring spectators around it on both days. The variety of produce shown was quite extraordinary, for the time of year, and conclusively proved beyond a shadow of a doubt that the Southern Okanagan could grow anything, except perhaps pineapples and bananas. Red currants, strawberries, grapes, rhubarb, chestnuts, filbert nuts, hops, gherkins, ripe red peppers, cantaloupes, mushrooms, leeks, Brussels sprouts, popcorn and a hundred other fruits and vegetables were arrayed on one side. A sucking pig, geese, chickens, ducks, rabbits, bread, cakes, buns, honey and bottled fruits filled another space. Nothing appeared to be forgotten, room was even found for a bale of hay, a baseball cup won by the district team, while overhead was suspended a large aero glider, also the product of Ellison. Too much credit could not be given for this display which was a complete exhibition in itself.

Benyoun held the next position by the central door. Here also all kinds of fruit and produce were shown and it would be hard to mention one thing in preference to another. Perhaps the celery was one of the things that called forth loudest praise, though the apples and fruit were also excellent. This display was roofed in by a cover of large and fine corn, most suitable to its location.

An exhibit by the Bankhead Orchard Company justly earned the large attention given to it. The superb qualities of many of the vegetables and fruits shown here forming typical examples of the results of many new varieties of seed produced by prominent horticulturists, amongst these were a yellow pear-shaped tomato, "King Alphonso," and the already famous "Matchless" tomato. Walnuts, cauliflowers, vegetable marrows, egg plants, peppers, garlic, Spanish onions and Kendall's Early Giant Table Corn were all represented, by specimens of perfect form and large size. The Japanese Bottle Calabash attracted much attention as a curiosity as did many other gourds of unique shape. Honey, butter, cream and a miscellaneous fruit display served to form a very tastefully arranged exhibit.

Cloverdale, the Okanagan Development and Orchard Co., made a fine showing of products from Mr. T. Bulman's ranch. The full name, made from carrots and green beans, drew much attention, as did also the ropes of apples and the rails covered in small pumpkins and melons. Good samples of beans and grain crops could also be seen here, as well as a miscellaneous variety of general fruit and produce.

Business stalls were occupied by the McKenzie Co., Ltd., who had a well arranged exhibition of groceries and dainty table goods; Mr. James H. Trenwith, of "The Electric Shop," where many of the latest electrical appliances for the home could be seen to advantage; Messrs. Dalgleish & Harding, who displayed an elegantly furnished drawing room; and the Magnet Cream Separator Co., who showed a variety of their dairy implements.

SUNDAY SCHOOL RALLY

At Methodist Church

Sunday School Rally Day was observed by the Methodist Church last Sunday by a special children's service held in the morning, and in the afternoon by a Sunday School largely augmented by the presence of the Home Department and Cradle Roll members. At both services an orchestra provided additional accompaniment, and a number of girls took part in a motion song.

In the morning, the Pastor held the closest attention of both young and old by the use of objects as illustrations, and the brightness of the afternoon service was still further increased by a musical programme which included solos by Mrs. L. Dilworth, Mrs. Armstrong and Mrs. Seeley.

Attention was still further given to the Youth of the day by the Rev. Switzer preaching his evening sermon under the title of "The Glory of Young Manhood." He opened his subject by a touching reference to the number of young men who were in Kelowna last year but who are now either at the front or in training for their journey across to Europe.

The opinion was generally expressed that this year's Rally Day services were the most successful ever held.

THE LATEST NEWS BY WIRE

HURRICANE SWEEPS

NEW ORLEANS

NEW ORLEANS, Sept. 30.—

Ten persons are known to have been killed and one hundred and fifty injured by a destructive hurricane which struck the city last night. The property loss exceeds one million dollars. At intervals this terrific gale swept through the city at a velocity of between 120 and 130 miles an hour, according to figures given out by the local weather bureau. Many schools and churches were damaged and the famous French market has been partially demolished. More than 8,000 telephones were put out of order.

RUSSIA KEPT BUSY

PETROGRAD, Sept. 30.—An

official announcement given here states that in the region north-west of Friedrichstadt several ineffectual German attacks were delivered but were repulsed by our artillery fire. At Dvinsk there have been continual cannonades, but the German attacks were all repulsed by our fire though the fighting continues. Minor actions have been fought in the region of Kechinty. Many other attacks have been made in different districts but concerted artillery and rifle fire has finally repulsed them. In the region of Koupchintze, on the River Strya, there has been progressive artillery fire, and in the course of terrible fighting the Russian troops occupied the enemy's trenches and one of his fortified positions west of Chodaczkow. In the continuation of a further offensive, the Russians, after strong artillery preparations, rushed an attack, and after clearing the entanglements, captured many of the enemy's trenches east of Koupchintze.

ITALIANS CREEP AHEAD

ROME, Sept. 30.—An official

report made here states that in the Tolmino zone the enemy are being pressed harder and harder towards the Santa Maria heights. On the 27th and 28th the enemy attempted surprise attacks on our positions but were repulsed on each occasion. Last night our mountain detachment attacked the enemy's positions on the spurs of Montero, and descending towards Tolmino they succeeded in forcing the enemy back at several points and inflicting heavy losses, taking 60 prisoners and two machine guns.

FRENCH HOLD POSITIONS

PARIS, Sept. 30.—An official

announcement made here today states that throughout the day battles have continued along the heights between Souchez and Vimy. We have maintained all the new positions captured in the Champagne. The struggle is still continuing in front of the positions which the Germans have fallen back on. We have made progress on the slopes of Tahure Hill also North of Massige. An intense bombardment from both sides has developed in the forest of Apremont.

CANADIAN LOSSES LIGHT

LONDON, Sept. 29.—With

the exception of the 8th Battalion from Winnipeg, few Canadians participated in the first of the great advance, though the Canadian artillery was engaged in supporting the attacking masses of British infantry. Later on other Canadian battalions were moved up to join in the general assault, and it is reported that a large proportion of the First Division were in the fight both yesterday and the day before. A later report states that the Canadian troops did not join in the actual attack but simply assisted the general advance by holding the trenches under a heavy fire, consequently their losses will not be as heavy as if they had taken part in the charge on the enemy's lines.

ALLIES PREPARING WAY FOR SECOND ATTACK

LONDON, Sept. 30.—A great

storm of shells are bursting across France on the Flanders front in what may be described as the second phase of one of the greatest battles in the history of the world. Now that the first rush through the German lines is over, both in the Champagne and in the Artois region, the allies have settled down to steady hammering attacks which are counted to exhaust and wear down the Germans until the way is ready for another dash and another attempt to bite deeper into the German front. Unofficial reports from Northern France received during Wednesday night indicated that the allied artillery was being brought into play in another intensive bombardment of the German works from Ypres to Verdun. The whole front is quaking under the shock of big shells aimed at wrecking the German second and third lines. Consequently for the next few days official reports may consequently not announce any infantry engagements, and there may be an apparent lull along the front while the guns of the allies pave the way for another surging attack of infantry. On the outcome of the second massed attack may depend the final result of the allies great offensive.

TALKED ACROSS AMERICA

WASHINGTON, Sept. 29.—

Wireless telephone communication across the continent was accomplished for the first time when experiments extending over several months culminated in the transmission of the human voice by radio from a naval plant at Arlington, Va., was made to Mare Island, California, 2,500 miles away. Both questions and answers were heard distinctly.

GERMANS OFF TO SERBIA

PARIS, Sept. 30.—Diplomatic

information from Vienna says that fresh German troops are being hurried to the Serbian frontier. General Von Falkenhayn, chief of staff of the German army, has visited this front.

TOBACCO-DAY IN THE TRENCHES

What Our Readers Can Do.

It is a red-letter day for a unit in the trenches when one of the parcels arrive which the Overseas Club is sending out through the generosity of the citizens of Canada. Boxes are eagerly opened and the parcels pass round to the men who perhaps have not smoked for a week. Some are addressed to individuals; they read on them the name of a friend—even a casual acquaintance—an employer or a fellow-worker, obliged to stay at home and not less than the comfort of the tobacco and cigarettes found within is the glow of pleasure in having been remembered. Other parcels are addressed to regiments, and some of the men recall the names of the senders at home. Their untiring service to the Empire is sweetened by this silent message

—like a hand-pressure stretched across the sea; perhaps the thought comes to them that they are not in so very distant an exile after all.

Our readers are asked to co-operate in this good work, and the Tobacco Fund of the Overseas Club is so well organized that it lays their money put to the best conceivable advantage. It would cost the soldier one dollar to buy at home the parcel of tobacco, cigarettes and matches which a quarter hands to him carriage paid and free of duty—not a penny of the money being consumed for organisation and collecting expenses.

But they need more! Readers can subscribe; they can send for collecting books and they can induce their friends to be collectors for a fund which is sending out the largest possible value for every quarter collected. Contributions should be sent to the "Kelowna Courier."

Particulars of Tobacco Fund.

1. Every cent contributed goes to purchase tobacco and cigarettes.

2. By arrangement with the British and French Governments the tobacco is packed in bond and shipped duty free. This enables the Overseas Club to secure tobacco and cigarettes at the lowest possible price.

3. For one quarter (25c) the Overseas Club are able to supply: 50 cigarettes, 4 oz. smoking mixture, a box of matches and a postcard.

For \$1.00 the Overseas Club can supply: 50 cigarettes, 4 oz. tobacco, 1 briar pipe, 1 tinder lighter, 1 rubber lined pouch, some matches and a postcard.

The postcard is a most pleasing feature bringing as it does the sender into personal touch with the receiver. In every package subscribed for, the postcard carrying the subscriber's name and address is enclosed thus enabling the soldier to acknowledge his thanks.

4. Packages may be sent to individuals provided the right number and regiment is given. However, in the case of "Personals" like this it is essential that the names of the soldier to benefit and the name of the donor be kept together or earmarked in such a way that the clerk shipping the parcel will insert the right postcard in the parcel.

NOTICE OF DISSOLUTION OF PARTNERSHIP

NOTICE IS HEREBY GIVEN that the partnership of Alexander Ramsay Harman, Guy Cameron Pearson, Hector Miles Heyland and William Frank Heyland, carrying on business at or near Kelowna, British Columbia, under the name and style of the Newstead Estate, was on the 8th day of July, 1915, dissolved, the said Guy Cameron Pearson, Hector Miles Heyland and Wil-

This can be very easily done by putting a number opposite the donor's name on collecting card and putting the same number opposite the name of the soldier to benefit. The names and addresses of soldiers to benefit will of course have to be kept on a separate sheet or card.

5. It is very important to note that the tobacco and cigarette parcels can only be sent to soldiers on active service; and not those in England or Canada.

6. Packages can also be sent to the British Navy or to the Belgian soldiers but in the latter case the Overseas Club cannot undertake to deliver packages to individuals.

7. The monies received for Fund should be paid in weekly to the "Kelowna Courier" not later than Wednesday morning of each week, so as to enable the names of those who have made donations to be printed.

It is important to have names and addresses of contributors written legibly in order that the postcards may be correctly addressed.

8. The Collecting cards themselves should be retained until they are filled, when they should be returned to the "Courier" office.

Any further information required regarding the Fund will be gladly given upon application to the Overseas Club offices at 402 Kings Hall, Montreal.

William Frank Heyland withdrawing therefrom.

The business of the Newstead Estate is being and will be carried on by the said Alexander Ramsay Harman from the said date.

DATED at Vancouver this 11th day of September, 1915.

BURNS & WALKER,
Solicitors for the said
Alexander Ramsay Harman.

FALL FAIR AND SPORTS

FORMAL OPENING OF THE EXHIBITION

Without any doubt a large measure of the success of the exhibition this year was owing to the presence of the Hon. F. S. Barnard, Lieut.-Governor of the Province, who very kindly accepted the invitation of the Directors of the A. & H. Association to open the exhibition.

This distinguished guest made a special trip from Victoria in order to attend the opening of Kelowna's 1915 exhibition. Unfortunately the boat was slightly late on Tuesday, and it was not until nearly 5 o'clock that His Honour disembarked from the "Okanagan." An automobile speedily conveyed him to the exhibition, where, in company with Mr. W. E. Scott, the Deputy Minister of Agriculture; Mr. Price Ellison; Mr. H. J. S. Muskett, secretary to the Lieut.-Governor; Mayor Jones; Mr. R. A. Copeland, and a number of distinguished military guests, the formal opening of the exhibition was at once proceeded with, the addresses being made from the front of the grandstand which was thronged with people.

Mr. R. A. Copeland, as president of the A. & H. Association, first addressed this large gathering. He explained that when the directors first decided to hold the exhibition this year they had all felt how extremely beneficial it would be if the Lieut.-Governor could attend. They had demurred at first, however, about placing the invitation, but finally had decided to do so and were more than delighted at the reply they had received. On behalf of the directors of the Association, Mr. Copeland then expressed his gratification at having such an honoured guest with them and extended a most cordial welcome.

The Lieut.-Governor replied that when he had first been complimented by the president and directors of the Association asking him to speak upon this occasion, he had been unable to resist his memory slipping into the past. His memory, he said, took him back to when the Mission Valley had very few settlers, and when, if he had been asked to go there to open a fair, it would have meant a long journey necessitating a great deal of time. He had recollected, however, that important railway construction had taken place there, and also that there had been a great deal said about the wonderful development there. Then, too, upon consulting a time table he had found that the journey today from Victoria and back was simply a matter of seventy-two hours. He had therefore decided to renew old acquaintances and see this section of the country again, and therefore did not at all regret but found great pleasure in the opportunity so kindly placed at his disposal.

The great agricultural wealth and progress, the Lieut.-Governor continued, which had met him on every side, helped him, and he was sure it helped others too, to realize more fully than ever that agriculture, farm production, in fact the production of those things which are the sustenance of life, was one of the most important of all pursuits. This, too, had been brought home more than ever since this terrible war had been on our hands.

Reverting to the war, His Honour expressed the opinion that the move forward which had just been started by the Franco-British troops would undoubtedly continue, and he believed that there was a possibility of the peace to which we were all looking forward coming perhaps within a year.

He had not yet seen the exhibition, but Kelowna and the district was so noted for its agriculture that he was sure that the display which he was about to inspect would fully satisfy his highest expectations.

The visiting party, attended by many of the directors of the Association, then left the grandstand and proceeded to the exhibition hall.

TUESDAY'S SPORTS

It was just around the hour of 10 o'clock on Tuesday morning when the special excursion steamer "Sicamous" brought the party of visitors from the north, comprised principally of men from the military camp at Vernon. Although the number arriving by boat was considerably less than had been anticipated, there being very few civilians, it was sufficiently large to create a general feeling of holidayism throughout the town, and especially on the fair grounds.

The 11th C. M. R. and the 47th and 62nd Battalions were well represented, making quite an imposing display of uniforms. All day long the band of the 47th generously treated the crowds to a variety of splendid music, well up to the high standard which this band has earned a reputation for producing.

The sporting events under the capable promoting powers of Major Hope, Captain Callaghan, Lieut. Martyn and Lieut. Crookshanks, supported by Captain Wilby, Dr. McKenzie and Dr. Magee, were a success from beginning to end, and too much credit cannot be given to these gentlemen for the perfect manner in which on both days they maintained a continual display of events, there being scarcely a minute when some entertainment was not being offered. The Sports' Committee of the A. & H. Association also had everything in good order and worked with a will to keep the ball rolling.

The following is the result of the day's race programme:

Free for all, 230 Trot or Pace, best of three heats. Entries—1, Chamberlin's Corah Brown and J. Richardson's Don Zonbro. First two heats won by Corah Brown who was declared winner. 100 yards Foot Race. Entries—Mr. A. Campbell of Westbank, Tprs. J. Kenning, Candy, Ing-

Duthie and McBride of the 11th C. M. R.; Ptes. E. Drake, A. Roberts and Corp. Adams of the 47th and Pte. Fisher of the 54th. 1, Pte. McBride; 2, Pte. A. Roberts; 3, Corp. Adams.

Pony Race, 1/2 mile, 14.2 and under. Entries—Victor Borre's Maud S, A. R. Davey's Paddy, J. T. Munson's Kitty and Tpr. Turner's Nigger. Winners—1, Maud S; 2, Paddy; 3, Kitty.

Half Mile Foot Race. Entries—Bandsman Banner, Tprs. Ryan, Hope and Candy of the 11th; Ptes. Clash, Hinkman, Farr, Roberts, Corp. Adams and Sergt. Taylor of the 47th; and Pte. A. Fisher of the 54th. Winners—1, Pte. A. Roberts; 2, Pte. C. Farr; 3, Tpr. Ryan.

Military Horse Race. Entries—Lieut. Macdonnell's Minort, Tpr. Turner's Nigger and Major Perry's Bella. Winners—1, Minort; 2, Nigger.

Tandem Race. Entries—F. Casorso, W. Haynes and Max Jenkins & Co. Winners—1, Max Jenkins & Co.; 2, F. Casorso. W. Haynes had one of his lines break right at the beginning of the race but ran well in spite of his handicap.

Half Mile Open. Entries—J. W. Thompson's Don E., Lieut. Macdonnell's Minort, Victor Borre's Maud S, Duncan Tutt's Rossington, Nelson Patise's Huikwell and Major Perry's Bella. Winners—1, Minort; 2, Huikwell; 3, Maud S.

Three Mile Foot Race. Entries—Mr. Wm. Krueger; Tprs. Smith, Cracknell and Dorman of the 11th C. M. R.; Ptes. Farr, Roberts and Morgan of the 47th; Ptes. Cose and Cummings of the 54th; and Pte. Neat of the 62nd. Krueger dropped out soon after the first half mile and Roberts did likewise at the end of the first mile. At the end of the 4th lap Cracknell dropped on the track, and only five out of the ten finished the race. Just about 200 yards from the winning post Farr, who was some way behind, suddenly put on a tremendous spurt and came in an easy winner. Cummings made second place with Cose as third. The time was 16 minutes, 47 seconds.

Excellent displays of boxing were given at intervals throughout the day. The first of these was a four-round bout between Tremblay and Moore, both of the 11th C. M. R., ending in a victory being given for the latter. Moore is an old champion with a big reputation behind him. The second bout was between O'Donnell of the 11th C. M. R. and Swales of the 47th. Swales, who is quite young put up a splendid exhibition but the award was given in favour of O'Donnell. The third bout was between Patton of the 47th and Roberts of the 11th C. M. R. These contestants were well matched and worked hard. At the end of the fourth round the referee found it impossible to make a decision, points being equal and at the end of the fifth round the result was still given as a tie, much to the loud voiced dissatisfaction of the supporters of both the fighting men.

Many of the races which should have been held on Tuesday were unavoidably postponed until the following day, as a great number of the competitors who were members of the 62nd Battalion did not come down until Tuesday afternoon's boat.

WEDNESDAY'S SPORTS

The following were the sports held on Wednesday afternoon:

Free for All, trot or pace. Entries—1, Chamberlin's Corah Brown and J. Cameron's Local Option. Local Option won all three heats.

Tug of War. 10 ft. pull. One pull decided in each case, 11th C. M. R. vs. 62nd. This was a most exciting pull ending in victory for the 11th.

The pull between the 47th and Kelowna went by default, the Kelowna boys not showing up. In consequence of this the 47th led the 62nd in an exhibition

pull to even the work done by the teams in the final, when the 47th pulled the 11th over the line.

Quarter mile Relay Foot Race. Four men teams, making one mile in all. Runners represented the 11th C. M. R., the 47th and the 62nd Battalions. Roberts of the 47th developed some extraordinary speed on the last quarter mile and finished an easy winner. 1, 47th; 2, 11th; 3, 62nd.

A humorous boxing display was then given by the Kelowna Wonder who boxed for three rounds with the champion Moore of the 11th C. M. R. This mysterious man, who was arrayed in lace edged shorts, performed some wonderful feats of skill combined with humour and produced well earned applause.

Ladies' Race. Lieut. Macdonnell's Minort ridden by Miss Kinson ran against Max Jenkins & Co.'s Babe ridden by Jenny Stephens. Minort won easily.

Mounted Relay Race, 1 mile. After first half mile riders had to change saddles to another horse and ride the other half mile seated backwards on the animal. After a most exciting race the two contestants, F. Casorso and Archie Johnson, finished in a dead heat.

Five-eighths of a Mile Pony Race. 1, Lieut. Macdonnell's Minort; 2, Duncan Tutt's Rossington; 3, Nelson Patise's Huikwell.

One Mile Foot Race. Runners—Tprs. Ryan and Smith of the 11th C. M. R.; Ptes. Farr and Roberts of the 47th; and Ptes. Neat and Wheatcroft of the 62nd. 1, Roberts; 2, Farr; 3, Ryan. Farr and Roberts finished only a yard or so apart.

A private quarter mile run between Kitty of Kelowna and Nigger of Vernon resulted in a win for the former horse.

Chariot Race. F. Casorso beat Archie Johnson, winning by little more than a yard.

Half Mile Pony Race, Free for All. 1, Duncan Tutt's Rossington, ridden by Jack Davey; 2, Lieut. Macdonnell's Minort; 3, Nelson Patise's Huikwell. One of the most exciting races of the day. Maud S. and Nigger also ran.

Hurdle Race. 4 hurdles. 3 heats. Runners—Tprs. Henning, Cox and McBryan of the 11th C. M. R.; Ptes. Williams and Drake of the 47th; and Ptes. Lindsay and Stone of the 62nd. Tpr. E. McBryan won easily.

High Jump. By the time this contest was finished the light was very bad; it being past 6 o'clock. Tpr. Inglis of the C. M. R., and Mr. Krueger both went out at 4 ft. 8 in. Kenning of the 11th C. M. R. and Pte. Law of the 47th stayed to 4 ft. 9 in.; Pte. Lindsey of the 62nd and Tpr. Box of the C. M. R. both took third place, falling out at 4 ft. 11 in.; Pte. Massey of the 62nd dropped out at 5 ft. with second place, leaving Tpr. McBryan of the C. M. R. the winner.

Bandsmen's Race. Nearly all the bandsmen took part. Each man had to play his instrument the whole time and keep both hands on it. Runners were handicapped according to instruments. Elsey Base of the 11th C. M. R. winning. Inglis, clarionette, of the 62nd, took 2nd place. J. Anson, cymbals, of the 62nd, running third.

The boxing comprised a two-round bout between Jack Levitt of Kelowna and O'Donnell of the C. M. R. Both rounds were given to O'Donnell. A bout between Swales and Patton gave one of the prettiest exhibitions of both days. Swales doing some splendid work against his more experienced antagonist. Equal points were given to both men.

The Band Contest, which occupied over an hour, attracted a great deal of attention. Mr. Tod Boyd and Mr. Drury Pryce acted as judges. The bands of the 11th C. M. R. and the 47th Battalion competed. Each band had to play a military march and follow this by a ten minute standard section, both pieces to be chosen by themselves. The 47th played first. After calling upon the 11th to play their selection a second time the judges gave their decision in favour of the 47th. This contest was very much enjoyed by the audience, the music being of very good quality.

The day was very successful, there having been no hitch or accident to mar a long programme of keenly competed sports enjoyed by everybody present.

Prairie and Coast Markets Weekly Report

By the B. C. Market Commissioner—Lettergram Correspondence.

Calgary, Alta., Sept. 25, 1915
Correspondents' Reports by Lettergram and Mail.

Winnipeg, Sept. 23 (Lettergram).—Arrivals this week totaled 25 cars imported apples and small fruits, ten cars of Ontario apples and basket fruits and 18 cars of British Columbia plums, apples and tomatoes.

Prices of Washington fruit: Pears, \$2.75 to \$3.00. Peaches, 90c to \$1.00; these are about done. Prunes, 75c to 85c. Apples, \$1.75 to \$2.00. Auction prices.—Peaches, 90c, prunes, 75c to 80c.

Prices of British Columbia fruit: Apples, McIntosh Reds, Economy crates, \$2.00, No. 1's, \$2.40, No. 2's, \$2.25; Wealthies, \$2.00 to \$2.50; peaches none. Italian prunes, 70c to 85c; market overstocked. Pond's Seedlings, peach boxes, 75c, 4 b. \$1.10 to \$1.15. Tomatoes, peach boxes and crates, \$1.00; pear boxes, \$1.25; several cars on the track. Prices on prunes and tomatoes will likely decline. Pears Buerre Clairgeau No. 1, 2 and 3, \$2.35 to \$2.15.

Oregon pears, \$2.75 to \$3.00. Southern apples: Jonathans, \$4.00 to \$5.00; Snows, \$5.00; other varieties, \$3.50 to \$4.25.

Damsons, 16 qt. crates, \$1.85. Ontario apples: Maiden Blush, Colverts, Haas, \$4.25 to \$5.25; pears, 6 qt. baskets, 45c; Tomatoes, 6 qt., 50c; Peaches, 6 qt., 65c. At auction: Ont. apples, Colverts, Peewaukees, \$3.75 to \$4.50; 6 qt. baskets—Tomatoes, 35c to 40c; Pears, 35c to 45c; plums, 14c to 26c; peaches, 24c to 30c; grapes, 32c to 35c.

Vancouver, Sept. 22.—This market can use considerable more Okanagan fruit. It wants No. 1 apples, Hyslop crabs, pears and one or two more cars of peaches. There were only eleven boxes of pears on Wholesale Row today; five of these are foreign and the jobber was asking \$2.50 per box for them. There are no apples from outside points, and if our growers will come forward with a steady supply we can hold this market. Large quantities from the Islands and the Lower Mainland are being moved at satisfactory prices and every indication points to good prices. There is a good market here for apples in the crates, and some five cars have been sold.

Peaches are now all cleaned out of the cars, and wholesalers want more, as they state the demand is for B. C. peaches. There is still a quantity of the "Y" brand peaches on hand, but jobbers say the retail trade is demanding B. C. fruit.

Italian prunes are selling well, and the last two cars are nearly sold out. Wholesale prices are holding firm in all lines of fruit.

Heavy shipments of potatoes are arriving ready for export to New Zealand and Australia. Shippers should be careful in their grading in order that we may work up a substantial export trade. A full report on this shipment will be made later.

Sept. 24 (Lettergram).—McIntosh Reds, No. 1, \$1.75; Belle fleur, \$1.50. Wenatchee Jonathans, \$2.00. Only one car American apples received during last two weeks. Pears scarce; No. 1, 1.75. Peaches, 75c; B. C. cleaned up. Prunes moving slowly at 5c per peach box; a car arrived today. Potato exports to New Zealand this week totaled 724 tons. No. 2 plums from Okanagan not selling; no demand. No apples wanted here.

Brandon, Sept. 22.—Peaches and Bartlett pears are about done. A car is due next week containing 500 boxes peaches. Ontario peaches do not sell well here. Italian prunes are a drag on the market. They are being consigned to a car containing B. C.

Quackenbush and Yellow Egg plums consigned here this week. Ontario plums done. No American plums coming here. Crab apples moving freely. A car of Montana crabs due next week.

Apples from all over plentiful here. Illinois Jonathans, Wealthies, Grime's Golden and similar kinds selling at \$4.75 to \$5.00 per bbl. Washington apples selling at \$1.50 to \$1.75. A car of consigned Washington apples now on this market. B. C. Economy crates are arriving and also No. 3's in boxes. B. C. McIntosh Reds are rolling. Ontario fall apples will be shipped this week. Ontario tomatoes about done. A few B. C. tomatoes are due and will sell at 90c and \$1.00.

Business has been quiet lately on account of the wet weather.

MacLeod, Sept. 23.—Several cars have been distributed during the week here and at other points between here and Calgary. Prune prices are declining on a plentiful supply. Straight car from Washington distributed from here at 75c. Peach prices have eased off; supply is plentiful. They sold this week at 85c; Flbertas, Belle of Georgia, etc. Pears.—Flemish Beauty coming in plentifully; price remains firm at \$2.25; demand keeps up. Plums.—Car from B. C. in yesterday contained four basket crates Pond's Seedlings and Silver Prunes in fine shape, and sold at \$1.00. In peach boxes plums sell at 85c. Tomatoes.—Ripe are selling at 85c; green at \$1.00.

Apples.—Some McIntosh Reds in last car, but are not quite ripe yet; price is high and demand therefore a little light; price is \$2.00 per box. Other No. 1 apples selling at \$1.75 in standard box. In crates at \$1.50.

Crabs.—Transcendents are still plentiful here and are selling at \$1.00 per box. The demand for these has been good at this price. Hyslops here now at \$1.75, nice stock.

Celery.—Demand continues small although prices have declined to 4 cents. This article is now being raised locally, and growers are selling at this price, at least to the retail trade.

Onions.—Good stock, dry, in the last car from B. C. selling at \$1.50 per cwt. Citron selling at 2½c.

Calgary (Retail), Sept. 25.—Apples—McIntosh Reds, crates, 1.75 to \$1.95. Wealthies, crates, \$1.85.

Crabapples, Hyslops, \$1.85. Italian prunes, peach box, 45c to 49c. Pond's Seedlings, 4 b., \$1.10. Yellow Egg, 4 b., \$1.10. Quackenbush, 4 b., \$1.10. Green Gages, 4 b., \$1.35.

Peaches.—No. 1 Elbertas, 75c to 90c. Ontario in 6 qt. bskts. 25c. No. 2 Elbertas, 4 b., 69c. Pears—Flemish Beauty, etc., \$1.95 to \$2.50.

Ripe tomatoes—Box, 69c to 85c. 4 b., 75c. Green tomatoes, box, 95c to \$1.05.

Cantaloupes—6 for 25c and 2 for 25c, according to size.

Vegetables—Cabbages, 17 lbs., 25c. Green corn, 35c doz. Squash, vegetable marrow pumpkin, lb., 2c. Green peppers, lb., 12½c. Egg plant, lb., 10c. Celery, 3 lbs., 25c. Parsnips, 12 lbs., 25c. Beets, 21 lbs., 25c. Carrots, 21 lbs., 25c. Turnips, 1 lb., 1c.

Calgary, (Wholesale), Sept. 25.—Apples are moving slowly. The trade has yet to sell a large quantity of Wealthies, much of which is stored at different country points. This will retard to a certain extent the movement of McIntosh Reds. No. 1 Wealthies are quoted at \$1.75 and in crates at \$1.60. No. 1 McIntosh Reds are selling at \$2.00; No. 2 at \$1.85 and crates at \$1.75.

Hyslop crab apples are quoted at \$1.90. Transcendents are cleaned up.

Peaches from Washington are moving slowly. Plums are fairly well cleaned up. Pond's Seedlings and Yellow Eggs, 4 b., are selling at \$1.00.

Pears are scarce with Winter

Nellis, No. 1, being quoted at \$2.50.

Ripe tomatoes are wholesaling in 4 b. crates at \$1.00 and in peach boxes at 85c. Green toms in pear boxes are quoted at \$1.00.

The jobbers are quoting prunes at 60c in peach boxes but, as the retail price is 47c and 49c, they are moving slowly.

Prevailing prices follow: B. C. onions in sacks per cwt., \$1.75; B. C. cabbage, crates, per cwt., \$1; beets, B. C. in sacks, per cwt., \$1; B. C. carrots, in sacks, per cwt., \$1.00; B. C. turnips, sacks, per cwt., \$1.00; B. C. parsnips, sacks, per cwt., \$2.25; B. C. potatoes, white, per ton, \$15.00 to \$18.00; B. C. celery, per cwt., \$4.00; pumpkin, lb., 2c; squash, 2c; citron, 3c; cucumbers, doz., \$1.00; peppers, scarce, lb., 8c.

B. C. Canteloupes, lb., 6c.

Regina, Sept. 24 (Lettergram).

—There is a slight improvement in the apple situation due to an Okanagan house here advancing prices. One jobber here has offered 200 crates Wealthies at \$1.10. Prevailing prices follow: Wealthies, No. 1, \$1.85; No. 2, \$1.60; crates, \$1.50. McIntosh Reds, No. 1, \$2.15. One dealer quotes \$1.90 for No. 1 and \$1.70 for crates. A car of Minnesota barrel apples arrived yesterday which were supposed to be No. 1's but they were very, very poor. Some Illinois and Missouri Jonathans arriving at Saskatoon, Weyburn and Moose Jaw. They are costing about \$3.50 delivered and the quality is excellent.

Wholesale prices of Okanagan fruits follow: Green tomatoes none. Pears, none. Peaches, 80c. Prunes, 7c. Plums, 90c. Hyslops, \$1.90.

Wholesale prices of Ontario fruits follow: Tomatoes, 70c. Pears, \$1.00. Peaches, none. Renclaudes, \$1.00.

Yakima C grade Jonathans are being quoted freely at from 85c to 90c F. O. B., good sizes.

Edmonton, Sept. 23.—Wholesale prices: Wn. pears, 95c to 90c; B. C. prunes, 80c and 75c; 4 b. plums, \$1.15, now down to \$1; Wealthies, crates, \$1.75, \$1.60 in 15 box lots; Hyslops, \$2.00; No. 1 wrapped apples, \$2.00, some decline expected; pears, few, \$2.50; tomatoes, 3,000 crates on hand, \$1.00 and 90c, will slump badly; peppers, 10c lb. in peach boxes; onions, B. C., 1½c lb., \$28.00 ton.

Tomatoes—The demand for green tomatoes has generally been very fair, wholesale prices usually 90c to \$1.00 for pear boxes. Apple boxes bring no more than pear boxes. Many shipments contain half-red fruits, as well as soft and very small stuff, and require sorting; this means low returns. Ripe tomatoes show fair quality for the season, now nearly closed. Many shipments will make very low returns to growers, because of poor grading, soft or decaying tomatoes, or mixture of green with ripe in the same package. Many jobbers are holding so-called ripe tomatoes in heat to ripen them. Altogether a large percentage of shipments are in unsatisfactory shape, and will not make returns as indicated by prices quoted which refer to good stock.

The Italian Prune Situation.

This has gone from bad to worse. A carload (1,100 3½-in. boxes from Kelowna) is being retailed by the Hudson's Bay Co. at Calgary at 49c, delivered. Consignments of 4-in. boxes, shipped Calgary grocers, are being offered at 45c and 49c. Okanagan and Grand Forks carloads are being received on consignment by jobbers at practically every point, to a total of perhaps twenty-five carloads on hand or rolling. Some of these, from Grand Forks, are on a guarantee of 30c f.o.b., which is certainly all the bulk of the cars will realize. Any shipments which can be delayed a few days will probably do much better.

The reason for this unsatisfactory condition are several. 1. Delay in threshing due to a

RAE'S Clearing Out Richmond's Stock

large quantities of Washington prunes already imported principally in mixed cars with peaches and pears, but also in straight cars. Estimates agree that 40,000 boxes were imported into Alberta alone. 2. The keen competition among the jobbers prevented any of them from holding off for B. C. 3. The general idea that B. C. was short on prunes, induced by reports of short crops, and firm prices quoted up to 10 days ago. 4. The shortage of B. C. peaches and exaggerated reports of a quarantine in the Okanagan that would prevent shipping. These all justified the country trade (which took ¾ of the preserving fruit this year) in securing their peaches and pears from Washington. As country points want 200 to 450 boxes prunes in each mixed car of preserving fruits, they got their prunes at the same time, as cheap or cheaper than they could expect B. C. prunes. 5. The demand was pretty well supplied by Washington and the earlier B. C. cars; a pronounced shortage of preserving jars, developed, due to wholesalers of these jars understocking them; the weather recently has been usually either cold or wet; the decline of grain prices, the lack of a ready market for grain, delay in threshing due to a

late harvest and wet weather, all combining to depress the general feeling of optimism which was at its height about the 1st of September; all these factors have combined to lessen demand.

Remedies for such a situation must be in the nature of prevention. It would appear that the principal remedy lies in packing prunes in 3½-inch boxes, or perhaps slightly smaller, and in quoting them well in advance of shipments at a price to make them slightly more attractive to the jobber than Yakima or Spokane prunes. This year, such quotations would have kept out at least 15 straight cars from Yakima. In addition, B. C. prunes would move readily into consumption; jobbers would buy more freely; and prices for shipments after American prunes are pretty well over—which is about Sept. 8th or 10th, could be advanced. Such a policy would have ensured a steady demand for our prunes, and average returns on the whole considerably better than will be realized this year. Such a policy would also permit of a successful advertising campaign for B. C. preserving prunes.

American Apple Prices Fixed.

Apple prices for the ensuing apple market, quoted out by the North Pacific Fruit Distributors,

are as follows: Ben Davis, extra fancy, \$1; fancy, 85c. Delaware Red, Black Twig, King Tompkins, Red Cheek Pippin, Wagner, Wealthy, York, Grimes, King David, extra fancy, \$1.10; fancy, 95c. Black Ben, Gano, Baldwin, Missouri Pippin, Rainier, Gravenstein, Geniton, Jeffry, Northern Spy, Stayman, Snow, extra fancy, \$1.15; fancy, \$1. Jonathans, extra fancy, \$1.25; fancy, \$1. Rome Beauty, Aiken Red, extra fancy, \$1.25; fancy, \$1.10. White Winter Pearmain, Winesap, Newton, extra fancy, \$1.50; fancy, \$1.35. Spitzenberg, Arkansas Blacks, Delicious, extra fancy, \$1.75; fancy, \$1.50.

The Wenatchee apple crop is estimated by J. B. Adams, president of the Wenatchee Growers' League, at 3,500 car loads all told, and will possibly not exceed 3,000 cars. He is certain that of these not over 30 per cent. will be extra fancy.

Pilferage From Stock Cars.

As the railway company accepts carloads of fruit in stock cars subject to "owner's risk of pilferage," and as in some cases stock cars are arriving with considerable loss and damage by pilferage, it is suggested that shippers place boards or racks in such a manner as to prevent this.

PROHIBITION MEETING

Kelowna Organizes Committee to Conduct Campaign.

On Thursday evening of last week between thirty and forty people met together in the Board of Trade room to discuss the formation of a committee to represent the Kelowna district in the coming provincial prohibition campaign. Mr. Geo. McKenzie occupied the chair and Mr. Jas. Gordon, the principal of the Public School, acted as secretary pro tem.

Prior to the actual business of the meeting, Mr. J. W. Jones and Mr. L. V. Rogers, who both represented Kelowna at the recent prohibition convention in Vancouver, gave brief addresses on what took place at that important gathering. Mayor Jones included in his remarks a brief summary of the Alberta Liquor Act, and spoke favourably of the possibility of some form of legislation being soon enacted which would grant prohibition in British Columbia. Mr. Rogers pointed out the steps which had already been taken and the advance the cause had made by the forthcoming changes which would close the bars at 7 o'clock. He intimated that it was a pity we should have to wait until January of 1917 for the probable beginning of the era of prohibition, and the speaker concluded by pointing out the greater need of emphasis that the campaign was not in any way a party or political measure.

Referring to the work of the present meeting and the local organization about to be formed, Mr. Rogers reminded the gathering that the South Okanagan, like every other district, would have to raise funds wherewith to carry on the campaign. Committees would have to be formed at Kelowna, Peachland, Rutland and all the other outlying centres in the South Okanagan district, and each committee would have to appoint its delegates to form a central committee. He thought it would be best to hold the district organization meeting during the coming visit of Dr. McGuire, the provincial organizer, which would probably be during the first week of October.

The chairman then asked for a name to be given to the local organization, which was decided upon as the Kelowna Branch of the People's Prohibition Movement. A further decision was made for the song of seven, including Boys Come Hompointed.

A song was given by president, Mr. Frances A. Pearsone was immediately and You'd. Mr. Bigger, the Band then and suggest excellent solo, with J. who also de- ment. This was four. Bigger was two humorous songs at the meeting. Lauder's, given by Manimously to S. McKenzie, who as Highland costume. Vice-Presi- J. Gordon,

D. Leckie, W. B. M. Calder, J. Curtis, J. Ball and Geo. McKenzie, all of whom refused owing to pressure of other business. Finally, after a particularly urging speech by Mr. Ball which was supported by the audience, Mr. Jas. Gordon allowed his name to be placed as the second head of the movement.

It was even harder to get the position of secretary filled than it was that of the two officers. The names suggested included Messrs. E. C. Weddell, J. Ball, L. V. Rogers, J. M. Brydon, Mrs. Rogers, Miss Fullerton, Miss McNaughton and several others. Finally the name of Hugh Jenkins was put forward and was met with instant approval. Unfortunately, Mr. Jenkins was not present at the meeting, but his name was placed as secretary in the hopes that he would consent to fill the position.

The names of Messrs. J. Ball, W. B. M. Calder, J. M. Brydon, Geo. McKenzie, D. Leckie, J. Curtis and H. D. Riggs, were put forward for the executive. Acting upon a motion of Mr. Rogers, seconded by Mr. H. H. Millie, the following were appointed as the executive: Messrs. J. Ball, W. B. M. Calder, J. M. Brydon and H. D. Riggs.

Mr. Bigger then took the chair and spoke to the gathering of the work before them. A strong fight would be necessary, he said, to overcome the liquor men who had got lots of time in which to formulate their plans for a most strenuous campaign and there would be need for every man and woman to do his or her duty.

Mr. J. Gordon also addressed the meeting. He expressed his belief that the coming movement was such a world wide one, so great in its purpose and magnitude, that it should inspire everyone with confidence. Peoples of all churches and political parties were supporting it. It was a sane and hopeful movement which would hedge the coming generation about with a powerful safeguard against one of the greatest temptations which young men and women have to meet.

Before the meeting closed, Mr. Bigger spoke of the pleasure it gave him to be supported by Mr. Gordon. He also called to mind how good it looked for Kelowna to see the principal of the High School and the principal of the Public School both figuring at the head of such a movement.

An architect had just finished for a millionaire client a house of prodigious size. It was huge and ornate. Proudly he took a friend to see it. "Great, don't you think?" he asked. "Very," answered the friend. "Now I'm going at the landscape work, but I haven't decided yet what kind of a creeper to have climb up the front of the house. What do you think?" "Well," said the friend, "I'd use the Virginia creeper—it will cover it up the quickest."

Vernon News, Sept. 23:

Vernon was visited last week by one of the high officials of the Salvation Army in the person of Commissioner Col. Sowton who is in charge of the Army's work from Port Arthur to the Pacific. He was accompanied by Mrs. Sowton and in his party were Brigadier McLean and Adjutant Bristow of Vancouver.

W. Sauter returned on Thursday from Calgary where the Follies of 1915, with which he was connected, terminated their existence as a travelling show.

Information has been received that the date of the Fall Assizes in this city has been fixed for Thursday, October 14. At present there are two criminal cases on the calendar: Rex vs. McLaughlin, shooting cattle; Rex vs. Reynolds, attempted murder. A. O. Cochrane will conduct the cases for the Crown.

J. Harwood returned on Monday from attending the Provincial Normal School Trustees' Convention at Chilliwack, where he was honoured by again being elected a member of the executive of the Association. Mr. Harwood was successful in securing the passage of a resolution making Vernon the place of meeting for next year, and expects that over 200 delegates from different parts of the province will be present here at the convention of 1916.

Mrs. J. Edgar, of Kalamalka Lake, while in a boat last Sunday afternoon, saw a black bear near the shore. She fired at it with a small .22 calibre rifle, and to her surprise, the first shot killed the animal. The bear shambled off after being hit, and it was only when they started to trace the animal that they discovered the shot had proved fatal.

Penticton Herald, Sept. 23:

A thunderbolt and lightning flash on Tuesday afternoon played strange tricks in the home of Mr. D. E. Burpee on the bench.

The Tuesday morning market is to be changed to Wednesday evening, but the Saturday morning market will continue as usual. The local cannery closed for the season yesterday after operating for two months. The pack will approximate about 20,000 cases.

The Hon. the Minister of Lands announces the publication of another booklet, in the series of pamphlets issued for the information of lumber consumers throughout the world, entitled "How to Finish British Columbia Wood." The pamphlet places before architects, builders, wood-finishers and home-makers, the possibilities of the various native woods when used as interior finish. Instructions for the surfacing, staining, varnishing and painting, of such woods as Western Hemlock, Douglas Fir, Red Cedar, Spruce, Mountain Pine and Tamarack, are given, and attractive illustrations show some typical interiors, in office, home and public building construction. The information given in this booklet is intended to be of real value to home-builders and others interested in wood-working, and advantage should be taken of the opportunity to obtain a copy.

The booklet will be mailed free of charge upon application to the Forest Branch, Victoria, B. C.

Women's Institute

Holds Its First Flower Show—Artistic Display.

Owing to the lateness of the season there were not as many entries to the flower show arranged by the Women's Institute as were expected. Still, the showing was very creditable, and various groups of flowers artistically arranged in vases presented a pretty picture. This is not only the first show of the Institute, but also the first year of the local Institute itself, and there is little doubt but that a similar enterprise next year would meet with large success.

Madame Bishop.

Madame Bishop, one of the greatest singers, and a most accomplished and versatile entertainer, has just returned from a tour through Britain with a deep rooted sentiment in favour of the Empire's cause. Madame Bishop has offered her services to the Calgary "News-Telegram" for a tour through the entire West and they have been accepted. This grand performance, consisting of songs, monologue and vaudeville, will be shown at the Opera House tonight, with a fine 4-reel picture entitled "Wildflower."

POLICE!

Last week's "Penticton Herald" tells us that:

"At its meeting on Saturday night the Council passed the following motion: 'That the Board of Police Commissioners be informed that the Council deems the police force should not consist of less than one man, other than the Chief.'"

We quite agree with the Council, a police force of less than one man is certainly not a really efficient force.

Grain Growers' Association and Apples.

The Grain Growers' Association of Saskatchewan report an unsatisfactory amount of business in B. C. fruit. They are working now on Ontario Winter apples, on which they are quoting their locals, laid down, \$4.50 to \$5.50 per bbl. They report that their members prefer Ontario apples and B. C. fruit shippers are making very little effort to cater to this trade.

RENEW FOR THE COURIER

CITY COUNCIL

Confer as to Fair Arrangements.

The City Council met last Friday morning to hold its regular fortnightly meeting. In the absence of the City Clerk, who was attending the municipal convention at Chilliwack, Mr. P. T. Dunn read the minutes and acted as clerk.

A personal request was made by Mrs. Whitehead for a reduction in the amount of pool room licenses charged by the City. She stated that as business was still quiet she thought the license was abnormally high. The Mayor replied by informing Mrs. Whitehead that the matter had only recently been considered by the Council when the new by-law covering such matters was put through. The time for the collection of such taxes had just passed and this was therefore the wrong time to give the matter attention, but His Worship promised that before they were due again it would receive re-consideration if application was made.

Miss Dykes, acting in the capacity of secretary to the local Red Cross Society, also appeared before the Council, and asked if the City could give the Society permission to run a number of automobiles for hire to and from the exhibition on Fair days. Miss Dykes was referred to the Police Magistrate to obtain this permission.

Another request was also made by Miss Dykes on behalf of the Red Cross Society, which was that free light be supplied to the Boyce Cottage, opposite the Presbyterian Church, which building was now being used as a meeting place for the Society. The applicant was informed that a light application would have to be received in the ordinary way and the light would have to be charged, but the amount of the charges would be refunded to the Society in the form of a grant.

A letter was read from Mr. Gus Hanson, expressing his opinion that the action of the City in having a tax sale was far too drastic. This reference to the tax sale caused Ald. Copeland to enquire as to the correctness of the amounts in the expense column of the tax sale advertisement, which he noticed in some cases exceeded the actual amount of the taxes themselves. The clerk assured him, however, that all charges for expenses were in accord with the Municipal Act.

A long letter from the City So-

licitor with reference to the taxes on Canadian Northern property was read and discussed, and finally laid on the table for further consideration.

The Mayor informed the Council that he had received a letter from the Secretary to the A. & H. Association asking the Council to proclaim a civic holiday on one of the Fair days, preferably Tuesday. Upon mentioning this matter to several of the business men of the City with a view to ascertaining their wishes on the subject, he had found that they were nearly all opposed to such a step being taken. Most of them promised to let half their staff have Tuesday afternoon as a holiday, and to let the other half have Wednesday afternoon, so that all would be able to attend the Fair. A suggestion that the early closing day be altered to Tuesday or Wednesday had also been met with a negative, as merchants thought that such a change was often a serious matter to country customers who came a long way to do their marketing, and who would probably be unaware of a change having been made.

The matter of providing extra police for the town was also made the subject of enquiry by Ald. Copeland. This matter had been left with the Police Commissioners, however, and no definite announcement had as yet been made. It was believed that the Police Commissioners had decided to wait until the morning of the Fair before appointing special men, as, should the day prove wet, a large increase to the force would not be necessary. It was stated that the local Volunteer Reserves were to be asked to provide police for the Exhibition grounds.

A request from the A. & H. Association that the City contribute something towards the cost of entertaining the Hon. Frank Barnard, the Lieut.-Governor of the Province, during his coming visit to the City was left over to a subsequent meeting.

The Council then adjourned, the next meeting being called for Friday morning, October 1.

Are You Participating in Our Prize Scheme?

The prizes to be given by the "Courier" are showing in the windows of the most important stores in town and include practically everything from a new winter coat to a rifle, or even a sack of sugar or flour.

In Fact, There Is No Limit to the Variety of Prizes or Their Value

You choose your own prize and we give you an order entitling you to have it charged to the "Courier."

All you have to do is to get at least three new subscribers for us and send us their names and a year's subscription for each. In return for this we will give you an order on any of our regular advertisers for \$1.50 or more, in fact, at the rate of \$1.50 for every three new subscriptions sent to us.

Find out whether your friend or neighbour is a subscriber, and, if they are not, get after them before someone else does. Collect \$1.50 for a year's subscription from them and forward the money to us at once with their name and address and we will promptly forward them an official receipt and start mailing them the paper. Don't wait until you get the three new subscribers, we will keep count of the subscriptions which you send in.

To help you in this we will be pleased to send a sample copy to anyone whose name you send us. Don't be afraid to ask; we want to help you in every way.

Others are going ahead—WHY NOT YOU? Get Busy NOW.

Grand Concert

**Attended by Lieut.-Governor—
Band of 47th Batt. Assisted
by Local Talent, Entertains Large Audience.**

An excellent programme was presented on Tuesday evening to the large audience that filled the Opera House to enjoy a concert arranged by the Agricultural and Horticultural Association upon the occasion of the Annual Fair and visit of the Lieut.-Governor. In addition to the renowned music of the band of the 47th Battalion a number of popular local artists aided in presenting a series of musical and vocal numbers which met with the highest appreciation.

The programme was opened by an overture from the Band, who continued playing until the arrival of the distinguished visitor of the day and the party from the banquet given in his honour.

Mr. Drury Pryce next performed giving a violin solo, "Variations on a Corelli Theme." Mr. Pryce's playing was well up to his usual standard of excellence and naturally brought its well deserved encore. Mrs. A. L. Soames gave a sweetly rendered song which was warmly encored, as was also Miss Frances A. Pearson's "Buy My Sash."

Miss Janet Hogarth followed with a recitation on the Morning-Geo. McKenzie party applause and enthusiastic song.

The Band gave selections of the programme and commenced singing selections of "The Soldier."

Allison Honoforte solo (Mrs. J. M. McKenzie) and enthusiastic song.

Another selection from the Band was given by Miss Frances A. Pearson entitled "Morning and You." A cornet player of the Band then gave an excellent solo, with accompaniment.

This was followed by two humorous songs of Harry Lauder's, given by Mr. George S. McKenzie, who appeared in a Highland costume.

Light dancing was given by the band and the evening closed with another Band selection and the National Anthem.

In every case the playing of the Band was splendid and brought forth a round of clapping which seemed loth to cease. Mr. H. Tod Boyd accompanied in his usual talented style at the piano and aided in presenting an entertainment of exceptional merit.

News was received from Vernon on Tuesday of the sad bereavement of Mr. Wm. Skinner, whose wife and new born baby died at that place on Sunday. Mr. Skinner, who has been with the "Vernon News" for a number of years, has made many friends throughout the Valley, and all join in expressing their sorrow and sympathy.

The Kelowna Branch of the Canadian Patriotic Fund was represented on Wednesday by 38 young ladies with tags and collecting boxes. The busy and fascinating collectors were sent out by the various church committees representing the Fund and were divided as follows: Presbyterian, 10; Anglican, 10; Methodist, 8; Baptist, 6; and Catholic, 4.

The Saxophone Quartet and Animated War Pictures given in the Opera House on Monday evening produced \$21.00 as the share of the takings to go towards the Wounded Soldier Fund. The performance here may also add a further sum when the trip is completed and total receipts are placed against total expenses. The Kelowna reception formed the best house they had met up to that time, the receipts being even larger than those at Fernie.

A quiet but pretty wedding took place at the Okanagan Mission Church on Wednesday, the 22nd instant, when Henry S. Melbourne, the youngest son of the late George Melbourne of Lincoln, England, and of Mrs. Melbourne, of Harrogate, Yorks., England, was joined in matrimony to Miss Edith Mabel Lowe, youngest daughter of the late Francis Newton Lowe, of Lincoln, England, and of Mrs. Lowe of Hampstead, England.

LIEUT.-GOVERNOR ATTENDS DINNER

Given in His Honour by A. & H. Association.

To commemorate the visit to Kelowna of the Hon. Frank Barnard, Lieut.-Governor of the Province, the Agricultural and Horticultural Association gave a dinner on Wednesday evening at which nearly forty visitors and friends sat down to table. The event was well arranged throughout, and at the conclusion of an excellent repast a number of toasts were drunk and replied to.

Mr. R. A. Copeland, the president of the Association, presided at the table, with the guest of honour at his right and Mr. Price Ellison on his left.

After the toast to the King had been drunk with the usual ceremonial, Mayor Jones proposed the toast to His Honour the Lieut.-Governor and spoke of the pleasure of having his presence in Kelowna and at the exhibition. During his speech he reminded his listeners that Kelowna produced more than fruit and vegetables, it produced the best of men, of whom more than five hundred had gone to the front from this district already.

After this toast had been drunk with musical honours, the Lieut.-Governor made an excellent reply, referring to the remarks of the Mayor he went on to give the figures of percentages of men sent to the front from the different provinces, which showed B. C. well up on the list. He gave many figures showing the great and urgent need of financial help for the Canadian Patriotic Fund. Before sitting down he expressed his indebtedness for the honour which had been shown to him by the A. & H. Association and by Kelowna.

Mr. J. F. Burne then proposed the toast to the Army and Navy, coupling with it the name of Col. Duff-Stuart. This was also drunk with musical honours, and was replied to by the Colonel, who in a rousing speech reminded the gathering of the splendid work which the navy had done in driving the enemy off the high seas and keeping them off. He spoke with great pride of the praise expressed by the Duke of Connaught of the splendid Canadian forces.

"The Guests" was proposed by Mr. Pridham, who coupled with his toast the names of Mr. Price Ellison, Mr. G. A. Henderson,

representing the Bank of Montreal at Vernon, and Mr. W. E. Scott, the Deputy Minister of Agriculture, all three of whom suitably replied.

Mr. W. E. Scott also asked the privilege of proposing a toast which was not on the programme, and proposed Mr. R. A. Copeland, the president of the Association, and Mr. W. M. Edwards, the secretary, both of whom briefly but adequately replied, bringing the memorable dinner to a conclusion.

FAREWELL BANQUET

To Rev. W. T. Beattie.

The Ladies' Guild of St. Andrew's Presbyterian Church, Rutland, gave a very successful farewell banquet in the church on Friday evening, Sept. 25th, in honour of the retiring pastor, the Rev. W. T. Beattie and his wife. At 7 o'clock the guests sat down to a sumptuous repast in which roast fowl and seasonable fruits were conspicuous. The tables were tastefully spread and were decorated with beautiful flowers. After ample justice had been done to the good things so bountifully provided, the chair was taken by Mr. A. J. Clever, and the following attractive programme was rendered:

Speech, Rev. Gordon Tanner; Song, Miss Magee; Toast to Rev. W. T. and Mrs. Beattie, proposed by Mr. Fleming, responded to by Mr. A. W. Dalgleish; Recitation, Mrs. J. Charlton; Song, Rev. W. T. Beattie; Toast, Church Union, proposed by Rev. Mr. Tanner and responded to by Rev. W. T. Beattie; Song, Mr. J. Brown; Speech, Mr. Brown of Glenmore; Reading, Mrs. A. H. Johnston.

At this juncture Miss May Fitzpatrick came forward and read the following address to Rev. W. T. and Mrs. Beattie: "We, the members of St. An-

drew's Presbyterian Church learn with deep regret of your decision to resign your pastorate here.

"You have, during your ministry among us, been a living inspiration to the individual and the community. Your untiring efforts to create a more friendly feeling and better acquaintance among the three branches of this field have not been unobserved. The frequent and cheerful visits made by your estimable wife and yourself to our homes have been an important factor in developing a spirit of enthusiasm in the welfare of the church services. Our church, under your guidance and direction, has enjoyed a period of unusual prosperity. Through your ability to rally our forces around you, it has been possible to acquire the present building as a permanent place of worship for the congregation.

"We had hoped to enjoy the benefits of your pastorate for a number of years in order that you might continue the work in your usual energetic manner, but we feel that our loss is another's gain.

"We trust that during your stay in the sunny Okanagan you have both experienced an improvement in health and strength, and are thus better equipped for future duty.

"In bidding you farewell, allow us to extend to Mrs. Beattie and yourself, in a tangible form, this small gift, as an expression of our deep appreciation of your services."

The gift was presented by Miss Z. Monford, and Mr. Beattie very heartily thanked the congregation for the kind remembrance. In a few well chosen words he expressed his deep regret at severing his connection with his many warm friends at Rutland.

The meeting closed with the singing of one verse of "God Be With You Till We meet Again."

Just a Year Ago

we mentioned in our advertisement four new recipes--Pear Marmalade, Peach Conserve, Ripe Cucumber Pickle and Mother's Pickles--and many people made use of them too. We have been asked several times to give the recipes for the first two, so we are printing them again.

PEAR MARMALADE
 Three lemons cut very fine.
 Five pounds ripe pears cut fine.
 Five pounds granulated sugar.
 Three ounces crystallized ginger.
 Boil lemons in water for half an hour, add pears, sugar and ginger and cook well.

PEACH
 Three oranges cut very fine.
 Five pounds fine.
 Five pounds granulated sugar.
 One pound sultanas.
 Boil oranges and lemons in water for half an hour, add peaches, sugar and sultanas and cook well.

When you preserve your Citrons and Pears, try some with lemons sliced; try some with Root Ginger; and try some with juicy Raisins.
